A few words about your safety

In case of FIRE there are some interesting instructions to help avoiding accidents

- In case of fire please operate the nearest fire alarm call point
- Leave the building by the nearest available exits closing your room door
- Do not use the lift
- There are exit plans in your room and the corridors of each building.
- In case of emergency please contact Reception by dialing " 0 "

Tips

All rooms have a magnetic system that sets the electricity power off by the time you exit your room. Please do not leave the magnet in the slot while you exit the room.

If there is a kitchenette in your room please be careful with the operation. Make sure everything is switched off when not in use
